

DuraVision™ Convex Mirror Product Sheet:

Portable Inspection

DuraVision™ Heavy Duty inspection mirrors are durable, lightweight and easy to use, suitable for most tough inspection environments. The Heavy Duty aluminum handle is available in two sizes, the larger model can extend up to 95". The handle adjusts to different lengths and stays securely in place with the Spring Loaded Locking Pin. Use it to view below, above and around just about any hard to see areas. This high quality mirror makes everything visible. Comes complete with adjustable heavy duty handle and drawstring protection bag.

Features

- 2mm acrylic mirror face
- Pure reflective coating
- ACM (Aluminum Composite Material) back for added strength
- Heavy Duty Aluminum with Spring Loaded Locking Pin
- Draw-cord protective bag in heavy duty nylon to protect mirror
- Optional base light with hinge plate provides up-lighting to area required

Suitable Uses

- Inspection of machinery
- Checking down drains and holes
- Under and around vehicles
- Bomb inspection
- Customs and security checkpoints
- Police and military services
