

DuraVision™ Convex Mirror Product Sheet:

DeLuxe Flush Fit Wall Mirror

The DeLuxe Flush Fit Wall Mirror is a non-intrusive way to achieve a wide area view of an entire room. This compact design can be mounted flat against the wall and the grey PVC surround and ACM back provides a more formal appearance in office situations. The specially designed curve gives maximum reflection without distortion.

Features

- 2mm acrylic mirror face
- Pure reflective coating
- Aluminium Composite (ACM) Back
- Screw Slots For Mounting
- Easy to install

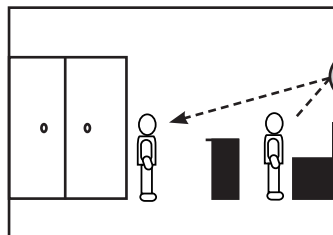

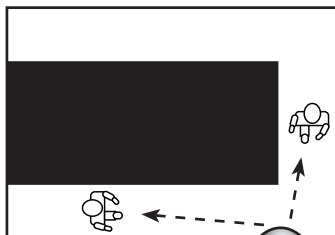

Suitable Uses

- Retail and store security
- Low ceiling areas
- Compact wall space areas
- Office security
- Reception areas
- Visitor detection
- Other indoor observation uses
