

DuraVision™ Convex Mirror Product Sheet:

Rectangular DeLuxe Stainless Steel

The Deluxe Stainless Steel Rectangular mirror has a vinyl celuka back and powder coated steel orange hood and orange extrusion for enhanced visibility. The stainless steel face is virtually unbreakable and makes it ideal in traffic situations where vandalism or projectile objects are a problem.

Features

- 304 grade 18 gauge stainless steel mirror face
- Large radius of curvature for minimum distance distortion
- Outdoor vinyl celuka back
- Orange powder coated hood
- Orange vinyl extrusion
- Outdoor strength pole mount fittings to fit 75mm dia. pole
- Wall mounting adaptor available

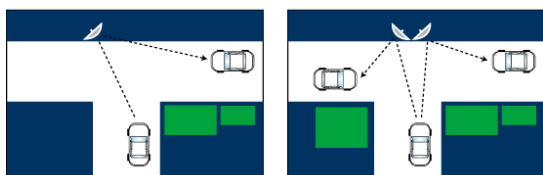

Suitable Uses

- Road and Traffic Safety
- Extreme Weather Conditions
- Coastal Environments
- Driveways and Carparks
- Outdoor Security around Buildings
- Security Checkpoints and Boarder Control
